First Aid Information:

Product Concentrated

At Use Dilution

Eye contact	Immediately flush eyes with plenty of water, occasionally lifting the upper and lower eyelids. Check for and remove any contact lenses. Get medical attention if irritation occurs.
Skin contact	No special recommendations.
If inhaled	No special recommendations.
If swallowed	Wash out mouth with water. If material has been swallowed and the exposed person is conscious, give small quantities of water to drink. Do not induce vomiting unless directed to do so by medical personnel. Get medical attention if symptoms occur.

Firefighting measures:

Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

Special requirements:

Store in a cool dry room. Do not mix with other chemicals.
