

# RATIONAL GRILL CLEANER for RATIONAL CleanJet Cleaning System

HS/TC/090/03 – February 2019

## READ BEFORE STARTING

Wear PPE in each step

**TIGHTLY SEALED SAFETY GLASSES & GLOVES**

You MUST refer to the CPAs & Task Cards for your PPE Requirements

- 1 Remove cap from empty bottle and carefully remove the feed pipe

- 3 Remove cap and then carefully place the feed pipe back into the bottle

- 5 Dispose of empty bottles responsibly, always replace the cap

- 2 Remove empty bottle and replace with new bottle

- 4 Retighten the cap

If in any doubt about the PPE required, please refer to the separate COSHH Product Assessment or your HSE Manager
