First Aid Information:

Product Concentrated

Eye contact	Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a physician immediately.
Skin contact	Wash skin with plenty of water. Take off contaminated clothing. If skin irritation occurs: Get medical advice/attention.
If inhaled	Remove person to fresh air and keep comfortable for breathing.
If swallowed	Rinse mouth, drink a lot of water, do not vomit, keep quiet, and go immediately to hospital or to a doctor.

Firefighting measures:

Special requirements:

Water spray. Dry powder. Foam. Carbon dioxide.
Store in the original container and with the original cap. Store in a well-ventilated place. Keep cool.

Accidental Release Measures

- If an accidental release occurs ensure people and colleagues are moved away.
- Ensure the spill is dealt with by trained colleagues (i.e. know how to deal with spills and how to use spill kits) and wear appropriate PPE.
- Follow the Immediate **Spill Response Plan** contained within the **Environment Toolkit** and the **Unit Managers Emergency Manual**.
- If you have any queries please contact your **HSE Manager** or the **HSE Helpline** on **0121 457 5194**.
