First Aid Information:

Product Concentrated

Eye contact	Rinse opened eye for several minutes under running water.
Skin contact	Immediately wash with water and soap and rinse thoroughly. If skin irritation continues, consult a doctor.
If inhaled	Supply fresh air; consult doctor in case of complaints.
If swallowed	Rinse out mouth and then drink plenty of water. If symptoms persist consult doctor.

Firefighting measures:
Special requirements:

Use fire extinguishing methods suitable to surrounding conditions. CO2, powder or water spray. Fight larger fires with water spray or alcohol resistant foam
Store in the original container. Keep container tightly sealed.

Accidental Release Measures

- If an accidental release occurs ensure people and colleagues are moved away.
- Ensure the spill is dealt with by trained colleagues (i.e. know how to deal with spills and how to use spill kits) and wear appropriate PPE.
- Follow the Immediate **Spill Response Plan** contained within the **Environment Toolkit** and the **Unit Managers Emergency Manual**.
- If you have any queries please contact your **HSE Manager** or the **HSE Helpline** on **0121 457 5194**.
