Special requirements:

Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.
Store in a cool dry room. Do not mix with other chemicals.

Accidental Release Measures	
<ul style="list-style-type: none"> If an accidental release occurs ensure people and colleagues are moved away. Ensure the spill is dealt with by trained colleagues (i.e. know how to deal with spills and how to use spill kits) and wear appropriate PPE. Follow the Immediate Spill Response Plan contained within the Environment Toolkit and the Unit Managers Emergency Manual. If you have any queries please contact your HSE Manager or the HSE Helpline on 0121 457 5194.
