

TOPRINSE/TOPRINSE JET/ TOPRINSE CLEAN/CLEAR DRY HDP PLUS - Automatic feed Rinse Aid

HS/TC/042/03 – August 2017

READ BEFORE STARTING

Wear PPE in each step

SAFETY GLASSES WITH SIDE-SHIELDS & GLOVES

You MUST refer to the CPAs & Task Cards for your PPE Requirements

1 Undo cap on empty bottle and carefully remove the feed pipe

2 Remove empty bottle and place new one in the basket

3 Remove cap on new bottle and then carefully place the feed pipe back into the bottle

4 Re-tighten the cap

5 Place new cap on empty bottle and dispose of responsibly.

If in any doubt about the PPE required, please refer to the separate COSHH Product Assessment or your HSE Manager
