

# ACCURATE INGREDIENT INFORMATION IS **CRITICAL**

RIGHT *INFORMATION*, RIGHT *MEAL*, RIGHT *CUSTOMER*

Always double check  
ingredient & allergen  
information –  
never guess

Verify all customer-facing  
ingredient & allergen  
information against  
labels, packaging and  
recipes

Conduct two-person  
checks to ensure 'right  
meal – right customer' for  
all pre-ordered special  
meals

Take extra care when  
labelling pre-packed  
items, matching the  
correct labels to packs
