BARISTA SAFETY 101

checks to preven incidents when using a barista style coffee machine

01

FLOOR CHECK!

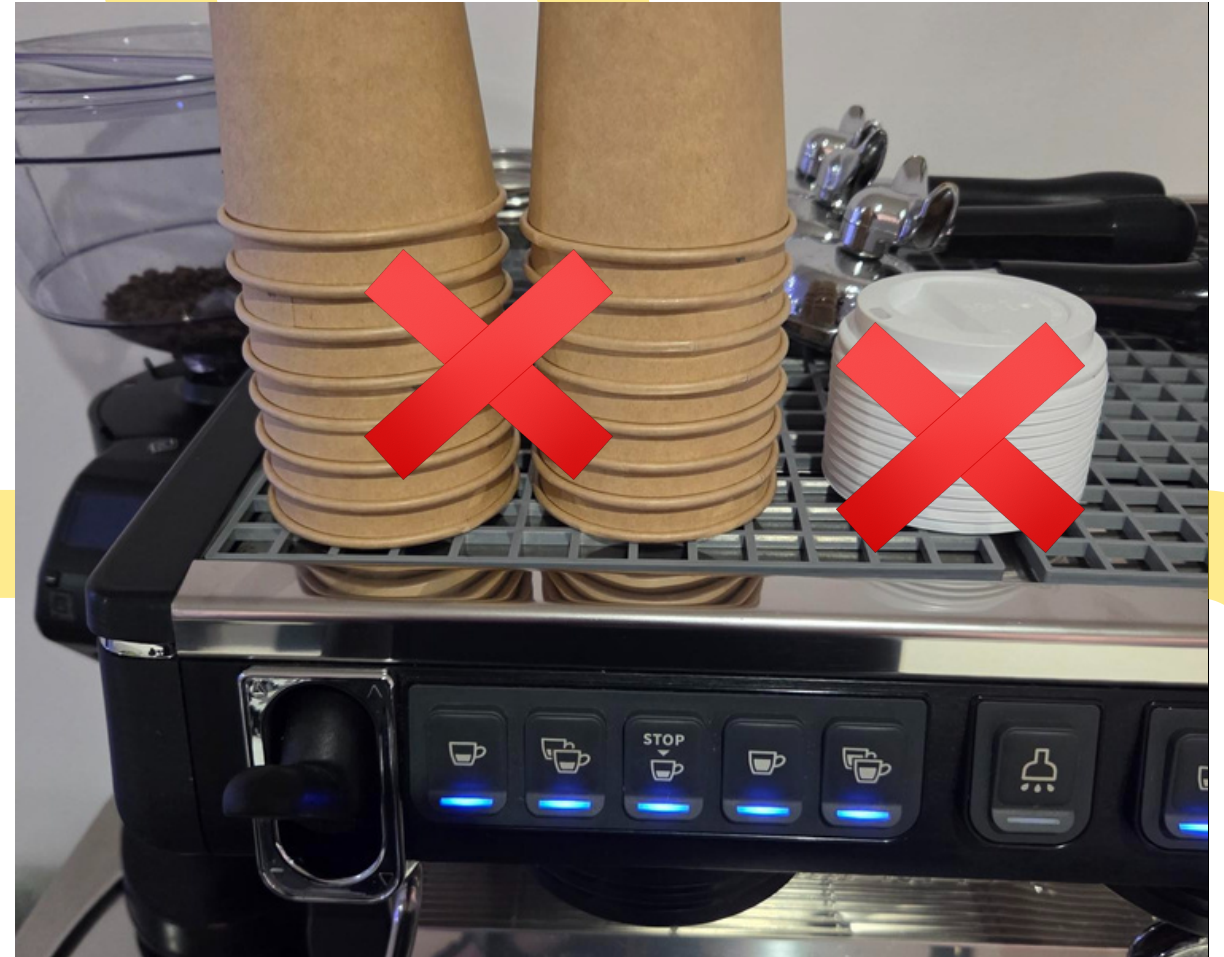

Ensure the floor is free from any trip hazards. Secure down any cables and piping.

02

CUP CHECK

Disposable cups and lids are not to be stored on top of the coffee machine. Do not over fill cups to help prevent spillages.

03

AVOID THE BURN

When not in use push the steam wand towards the machine to avoid burning yourself.

04

GET THE FLOW RIGHT

Ensure equipment is set up to avoid strain and in order of use to prevent cross over with colleagues
