

# Suma Shine K2 Mini Guide

Available in 10 kg

## Use for cleaning:

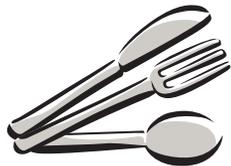

Crockery

Plastic materials

Cutlery

## Benefits...

Powder for stain and tannin removal

Do not use on copper and brass

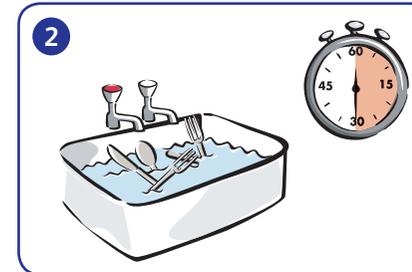

## Application...

1

Fill a sink or soak reservoir with warm water (40-50 °C) and add 10-20 g Suma Shine K2/L water (1 scoop = 125 g).

2

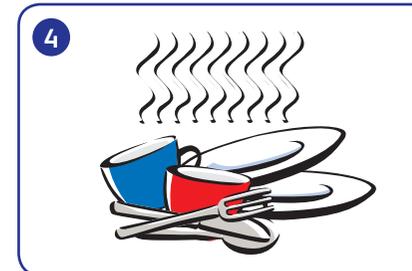

Soak items for 15-30 minutes depending on soilage.

3

Place items through a dishwasher on full cycle.

4

Allow to air dry.
