Stage 2	Insert the number of care tabs showed on the display: FLOOR UNITS - into the flap TABLE TOP UNITS – in the drawer
Refer to the Rational Rinse Tabs for SelfCooking Centre Task Card for product application details.	

First Aid Information:

Product Concentrated

Eye contact	Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. Seek medical treatment by eye specialist.
Skin contact	In case of contact with skin wash off immediately with soap and water. Consult doctor if skin irritation persists.
If inhaled	Move to fresh air in case of accidental inhalation of dust or fumes from overheating or combustion.
If swallowed	Rinse out mouth thoroughly with water. Do NOT induce vomiting. Never give anything by mouth to an unconscious person. Summon a doctor immediately.

Firefighting measures:

Special requirements:

Suitable extinguishing media for the surrounding fire should be used.
Store in cool, well ventilated area. Avoid contact with water or humidity. Must only be kept in original packaging.

Accidental Release Measures	
<ul style="list-style-type: none"> • If an accidental release occurs ensure people and colleagues are moved away. • Ensure the spill is dealt with by trained colleagues (i.e. know how to deal with spills and how to use spill kits) and wear appropriate PPE. • Follow the Immediate Spill Response Plan contained within the Environment Toolkit and the Unit Managers Emergency Manual. • If you have any queries please contact your HSE Manager or the HSE Helpline on 0121 457 5194.
